Congratulations!

First, a big congratulations to you both! You've found 'the one' and at the end of the day, shouldn't that be the hardest part of planning your wedding celebrations? As for the rest of it: the venue and decor, menus, coordination, music, flowers - we have a dedicated team, here to provide as much or as little guidance as you need to plan a day that is a perfect reflection of you as a couple.

Choosing a space

It's important to weigh all of your options when choosing a wedding location. Some questions to consider as a start:

- **What are the qualities you most desire in a venue?**
- **Are you looking for a space to host both your ceremony and reception?**
- **Do you have a wedding theme? If so, how does the venue fit your style?**
- **What are the hidden costs associated with booking a specific venue, for example chair or linen hire?** Hint: we do not charge for either!
- **Do you have a sentimental location you'd like your post-ceremony photos taken?**

For example, the beach or a favourite park? It's helpful to choose a location with easy access to these areas so you are able to get to your cocktail hour faster and make the most of time with your guests.

Weddings at THE LOCAL TAPHOUSE

The Local Taphouse has been a craft beer institution in Melbourne for over 10 years, but at its heart, the space stands true to its name as a local pub. The Local is sure to impress anyone looking for a rustic, customisable setting with variable floor plans. Its indoor / outdoor function areas cater for groups as little as 10 to as large as 200.

The Local's function rooms are available 7-days / week for wedding ceremonies and receptions.

* **External catering:** In the event of half venue hire at The Local, you are welcome to utilise an external caterer if this is preferred, though we do not have on-site prep kitchen space, so this is not recommended. We understand that you may have specific requests for your wedding day and our kitchen team can create a custom menu to fully suit your dietary needs.

Weekday weddings at STOMPING GROUND BREWERY

The Beer Hall is a Collingwood favourite, nestled next to the adjoining Stomping Ground Brewery. The converted warehouse is soaked in natural light and features a lush beer garden. The Beer Hall provides an inclusive communal experience with large wooden bench tables, a retractable (Melbourne-proof) roof and even a kids' cubby house for any little ones.

The Beer Hall is available for half venue hire Monday - Thursday only, excluding public holidays / eves. **Stomping Ground is not available for full venue hire.**
